

Speaker Application TEDxSugarLand 2022: New Challenges, New Ideas

It has been said that necessity is the mother of invention. Over the past few years, new challenges on a global scale have changed human nature, redefined societal norms, and impacted practically every human being on earth. These challenges have inspired innovation in an attempt to adapt and evolve as a species. New challenges must be met with new ideas to help advance humanity. TEDxSugarLand invites you to share your new idea that will address our new challenges.
